## 2018 Science Fair Awards

High School Winner Lindsey Miller  
of Palm Beach Central H.S.

Our Navy League Palm Beach Council again provided volunteer judges for the Palm Beach County Regional Science and Engineering Fair held at the South Florida Fairgrounds December 13, 2018.

**David Knight, John Limoncelli, Ted Blake, Betty Parker, Ken Lee, Murray Gero and Deirdre Krause** judged Middle School and High School projects

in Physics, Engineering, Robotics, Computer Sciences, Medicine and Behavioral Sciences.

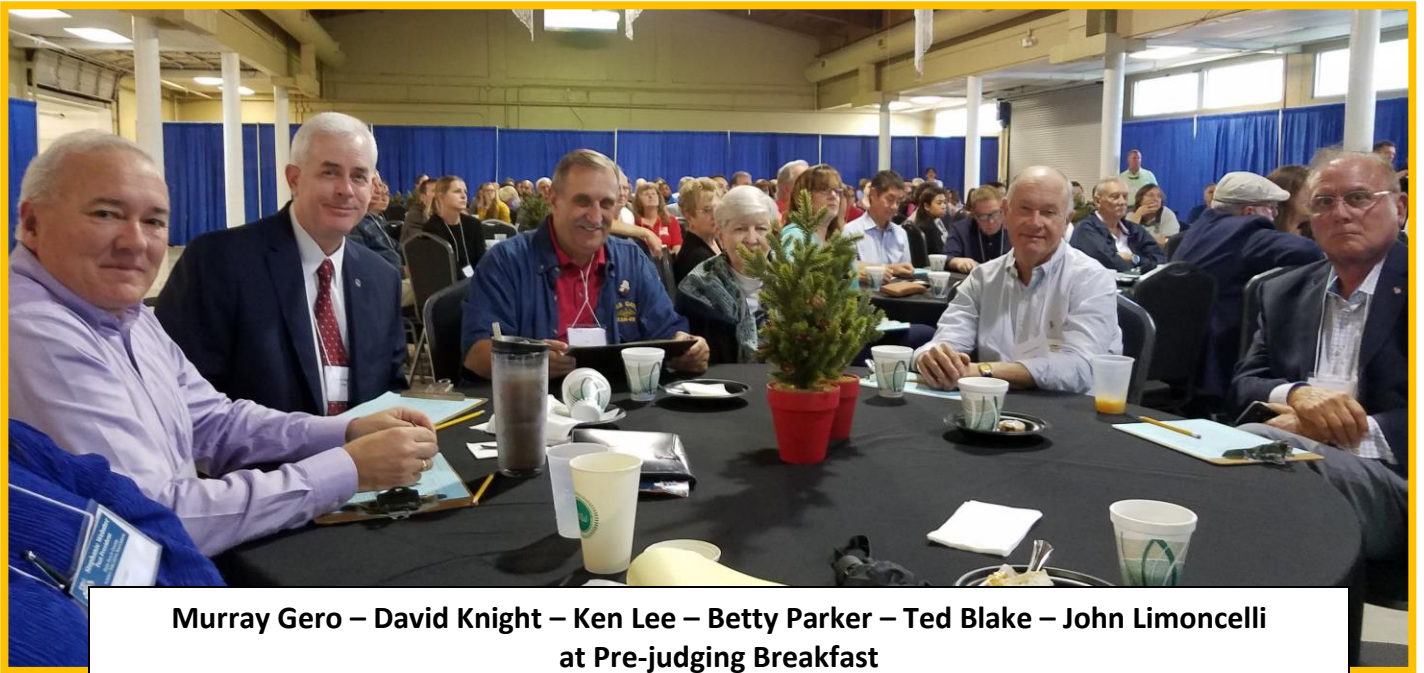

In addition to providing seven hours of judging services to the county, the Palm Beach Council reps selected two High School projects for recognition by the Navy League for projects with potential naval application.

Each winning student will receive a Navy League – Palm Beach Council **Ullman Scholar Award** at the county-wide awards night in January.

This is the 5th year for the Ullman Scholar awards; they are funded by family and friends of past Council President Keith Ullman and consist of a certificate and \$400 honorarium.

Middle School Winner Camila Garcia  
of Lake Worth M.S.

**Murray Gero – David Knight – Ken Lee – Betty Parker – Ted Blake – John Limoncelli  
at Pre-judging Breakfast  
Betty, Ted and John were all school teachers in past years**

Ken Lee and Murray Gero, as submarine veterans, also selected two winning projects for recognition by the South Florida Submarine Veterans organization.

Thank you, judges, and thank you Ullman family. Along with the Sub Vets of South Florida we are the only military oriented organizations providing Science Fair performance awards, and we are given good recognition by the Science Fair leaders.
