2015 Science Fair Awards

The Palm Beach Council again provided volunteer judges for the Palm Beach County Regional Science and Engineering Fair held at the South Florida Fairgrounds December 10, 2015.

Bob Crippen, John Limoncelli, Deirdre Krause and Sue Comerford judged Middle School and High School projects in Physics, Engineering, Computer Sciences, Medicine and Behavioral Sciences.

In addition to providing seven hours of judging services to the county, the Palm Beach Council reps selected two High School projects for recognition by the Navy League for projects with potential naval application.

Each winning student received a Navy League – Palm Beach Council Ullman Scholar award from Council President Ken Lee at the county-wide awards night at Santaluces H.S. on Jan 7, 2016.

This is the 2nd year for the Ullman Scholar awards; they are funded by friends and family of past Council President Keith Ullman and consist of a certificate and \$400 honorarium.

On the left, high school winner Charles Lindsay of Suncoast High. And on the right, middle school winner Zachary Bouras of Loggers' Run Middle School.

Thank you, judges (Bob, John, Deirdre and Sue) and thank you Ullman family. Along with the Submarine Veterans of South Florida we are the only military oriented organizations providing Science Fair performance awards, and we are given good recognition by the Science Fair leaders.
